

Joy Greer

Tulsa, OK

Joy was a member of the Baylor College of Dentistry Student Spouse group and has been an Alliance member for over thirty years. She has served as a member of the Tulsa County Alliance, serving in most positions including president, and the annual picnic chair, that is an activity held in conjunction with the Tulsa County Dental Society (a huge job including food, decorations, tents, pony rides, clowns, etc.). Additionally, Joy has served as Treasurer for the Alliance of the Oklahoma Dental Association for the past four years. She enjoys dental health education projects and has been active in the Give Kids A Smile and the Oklahoma Mission of Mercy programs.

Joy is very involved with her family and works as an Administrative Assistant for her husband Jerry, a bookkeeper for her oldest son's restaurant, an aide in helping her mother-in-law with rental property, and spending time with her children and grandchildren. She is one of our many members who feel she has gained more through her connection with the Alliance than she has given.
