

Margaret Phillips

Lititz, Pennsylvania

As an Alliance member for sixteen years, Margaret has served in many positions on the local and state levels, including president and treasurer (ten years on the state level). Because of her commitment to the Alliance, Margaret is credited with reviving her Component. Nationally, she has served on the Reference Committee and as a Delegate.

She enjoys the friendships she has made, but especially enjoys packaging dental kits and donating them to community shelters and programs in order to help others.

Professionally, Margaret retired from a career as a healthcare executive and now spends her time working as an administrator in her husband Jason's practice, along with consulting, and volunteering.
