

## **Sarah Looper**

Atlanta, GA

As a fifty year plus Alliance member, Sarah has done it all! She has served in most positions, but most notably as president of the Women's Auxiliary of the Northern District Dental Society, the Women's Auxiliary of the Georgia Dental Association, and the Women's Auxiliary to the American Dental Association, now the Alliance of the American Dental Association.

Throughout the years, Dental Health Education has been a primary focus for Sarah. The Sarah Looper Foundation for Dental Health Education was established in Georgia, and remained in existence until the Georgia Dental Association organized its own foundation. She also chaired the committee to organize the Foundation to the Dental Health Education for the Alliance of the American Dental Association. Sarah was instrumental in recruiting Pegg Callahan, a Georgia Alliance member, to write a puppet show which is known throughout the nation as the *Wanda Wondersmile Puppet Show*.

Professionally, Sarah worked as a Dental Hygienist early in her marriage. She and her husband Joe have participated in three mission trips to Costa Rica.
